12. Taking into account the factors described under the Transfer of Funds Procedures section on page 5 of the directive, describe the Local Board's reasoning to request a transfer of funds.

For program year 2016-18, the Riverside County LWDA was awarded a total of \$10,642,466 in Round 2 WIOA Title I Adult and Dislocated Worker Formula Funds. The split between the two funding streams is 50.61% Adult and 49.39% Dislocated Worker.

It was the intent of the Local Workforce Development Area (LWDA) to provide services that reflected this funding split. However, due the increase in the number of clients enrolled in WIOA funded career and training programs who are unemployed or underemployed Adults, but do not fit the Dislocated Worker eligibility requirements, there is greater need for adult funding than originally allocated. This transfer is to adjust the allocation to better utilize the funding and reflect the actual clients served.

Per the WIOA Section 133 (b)(4) and EDD Directive WSD15-23 states that “local Boards may transfer up to and including 100 percent of their Adult and DW funds between the two funding streams.”

The amount of the transfer request is \$1,403,574 of Dislocated Worker funds for WIOA Title I.
