

EXECUTIVE COMMITTEE

ACTION ITEM: #1.2

SUBMITTAL DATE: June 26, 2017

SUBJECT: One-Stop Operator

RECOMMENDATION: That the Workforce Development Board (WDB) approve ResCare as the One-Stop Operator for the America’s Job Centers (AJCC) of California/Workforce Development Centers of Riverside.

BACKGROUND: On March 3, 2017, County of Riverside Purchasing Department released a Request for Proposal to solicit year-round services from an experienced and qualified entity to serve as a One-Stop Operator for the Economic Development Agency / Workforce Development Division / American Jobs Center of California (AJCC). The solicitation was cancelled and re-released until April 25, 2017 to insure all interested bidders received adequate time to respond. As a result there were three proposals submitted for consideration and reviewers recommended ResCare as the most responsive proposal.

The One-Stop Operator will serve as the facilitator and coordinator of the Economic Development Agency / Workforce Development Division Workforce Board’s AJCC partner shared services. The AJCC Operator will manage the Partner Memorandum of Understanding (MOU), throughout Riverside County during Program Year July 1, 2017 through June 30, 2018, with subsequent annual approvals through June 30, 2020, contingent upon meeting performance and continued funding allocation from WIOA. The AJCC Operator is expected to coordinate the delivery of services utilizing the partner MOU to sustain the unified system initiated through the use of resource sharing and joint infrastructure cost funding.
