WORKFORCE DEVELOPMENT BOARD

ACTION ITEM # 1.2

SUBMITTAL DATE: August 10, 2022

SUBJECT: Approve the attached Resolution No. 2022-003, A Resolution of the Riverside County Workforce Development Board Authorizing Remote Teleconference Meetings of the Legislative Bodies of the Riverside County Workforce Development Board for the Period August 10, 2022, through September 9, 2022, Pursuant to the Ralph M. Brown Act (Resolution No. 2022-003).

RECOMMENDATION: That the Riverside County Workforce Development Board (WDB) approve, the Resolution No. 2022-003.

BACKGROUND:

The Riverside County Workforce Development Board (WDB) is a private sector led policy and oversight body that supports economic expansion and the development of the regional workforce. The WDB is governed by the Workforce Innovation and Opportunity Act of 2014 (WIOA). Federal funds received under WIOA are allocated to activities that link resources, people, business, and education, resulting in a competitive workforce. Related programs and services benefit workers and employers in Riverside County.

On March 4, 2020, Governor Newsom declared a state of emergency due to COVID-19. The Governor also issued Executive Orders that suspended certain provisions of the Brown Act. Because the WDB is subject to the Brown Act, WDB meetings were directly impacted.

The Brown Act generally requires that meetings of the WDB and its committees be open and public and that all persons be permitted to attend and participate. The Brown Act allows for meetings via teleconference as long as certain requirements are met. One such requirement is that each teleconference location must be accessible to the public and that members of the public be allowed to address the WDB at each teleconference location.

The Governor's COVID-related Executive Orders temporarily suspended these teleconference requirements, allowing the WDB to hold teleconference meetings without opening all teleconference locations to the public. This arrangement is known as abbreviated teleconferencing procedures.

On September 16, 2021, the Governor signed Assembly Bill 361 (AB 361). Among other things, AB 361 allows the WDB to continue use of abbreviated teleconferencing procedures, subject to certain conditions. One such condition is the existence of a gubernatorial-declared state of emergency. Another condition is that the WDB must formally specify the need to continue use of abbreviated teleconferencing initially and then every 30 days thereafter. The formal specification can be accomplished by adopting a related Resolution.

The attached Resolution No. 2022-003 is based on a template provided by Riverside County Counsel. The Resolution incorporates language and motions required to satisfy AB 361 conditions and allows continued use of abbreviated teleconferencing procedures at meetings of the WDB and its committees. Staff recommends that the WDB approve Resolution No. 2022-003. Once approved, the WDB must then approve related resolutions every 30 days during the state of emergency in order to continue use of abbreviated teleconferencing procedures.

AJCC Operator Activity – Board Report

July 2022

The primary role of America’s Job Center of California (AJCC) Operator is to bring continuity among the AJCC partners to provide services to customers that utilize the AJCC resources throughout Riverside County. The AJCC Operator ensures the coordination of services between partnering agencies and customers. The goal is to ensure services offered are being provided to customers whether it be via job-readiness, career development, employment, and vocational training services.

Promotion of AJCC/Outreach

The AJCC Operator continues to produce and distribute the AJCC Weekly Update to Partners during this current pandemic and to those who have expressed an interest in receiving information. The Weekly Update includes upcoming recruitments and hiring events, job postings and employer/business resource seminars.

I’ve also provided partners with various reports citing information on how customers/students can file for unemployment and shared what services are currently being provided by the AJCC’s.

Below is sample of some of the hiring events in the July 2022 Weekly Updates:

- **IHSS Virtual Job Fair – July 6, 2022**
- **Soboba Job Fair – July 6, 13, 27, 2022**
- **Absolute International Security Job Fair-July 14, 2022**

- **The View Church – Community Day Career Fair- July 30, 2022**

Job Fairs/Partner Promotion

Traditional job fairs are slowing returning with certain precautions in place. Virtual or now drive thru are still in existence, but ultimately, virtual job fairs and drive thru job fairs are still being attended as they keep potential job seekers abreast with current job opportunities.

Information of these events are shared with partners, customers, and of course add in the weekly updates.

Attended a few of these business/partner outreach events listed below. Some were in person while the majority were via webinar:

- **Monthly WD All Staff Meeting – July 7, 2022**
- **OSO COP Presentation – Partner Meeting Engagement July 12, 2022**

Career Resource Areas- Remain open for computer use and customers must schedule an appointment with a Career Counselor for one-on-one services.

There are still many companies that are looking to hire during this time and an updated list of available jobs that I assist in compiling is included in the weekly update as well as posted on the www.rivcoworkforce.com website.

* Electronic Updates listing local Job Leads, Education, and Hiring Events are generated weekly. Please e-mail Janice Simmons at: jsimmons@rivco.org to be added to the distribution list.
