

EXECUTIVE COMMITTEE

ACTION ITEM #1.2

August 17, 2011

SUBJECT: Appointment of Private and Public Sector Members to the Workforce Investment Board

RECOMMENDATION: That the Workforce Investment Board (WIB) Executive Committee approves the appointment of Guy Reams.

BACKGROUND:

Guy Reams, Private Sector, is the President, of Conduit Network Inc. For the last 15 years, he has built his technical consulting firm and now operates his business with 10 employees. Mr. Reams provides technical services to public education, private medical groups, municipal governments and various corporations.

Mr. Reams' career started with job training as a professor at Mt San Jacinto College. During his experience as an educator and business owner, he had the opportunity to participate in developing initiatives in the areas of Ambulatory HealthCare Systems, Physical Security and Surveillance Systems, and Online Retail Catalog Systems. . He has experienced firsthand the results of developing connections between a skilled workforce and business.

Many industries suffer from the lack of a professional skilled workforce and he hopes to use his abilities to educate and teach others what industries need to grow and help to produce more high paying job opportunities. By serving on the WIB, he will use his talents to work towards creating a better qualified and skilled workforce in Riverside County.
